

Sue Brisbois

Sue Brisbois is the Global Director of Performance Development at Nike, Inc. In this role, Sue and her team design, develop and implement innovative approaches to performance and development. Sue is also the co-chair of one of Nike's eight diversity networks, the PRIDE Network, which

strives to build a culture of authenticity by cultivating a Nike community diverse in sexual orientation, gender identity and gender expression.

Sue has 15 years in learning strategy, assessment, design, delivery, evaluation and curriculum development.
