

Connie Chen

Connie Chen is the head of Asian Google Network Community Service for the Bay Area, working with 15+ non-profits to provide more volunteer opportunities for Googlers. She's currently a Business Analyst for Google Express, using data to help make better product decisions.

Previously, she's worked on Operations at Google, and investment banking. She's originally from the DC area, and studied business at the University of Pennsylvania. In her free time, she loves enjoying the summer weather by cooking fried food, making music and hiking.
