

Michael Nobleza

Michael Nobleza is a coach, trainer and creator based in the San Francisco Bay Area. His mission is to work with communities to go to the next level by unleashing their innate wisdom and resources. As Vice President to the **Asian Pacific Fund**, Michael works in partnership with the Executive Director to take the Fund to the next level of impact and visibility.

He leads the development of the Fund's strategy to increase and mobilize resources to support the Bay Area's most vulnerable Asians and Pacific Islanders; this includes helping companies and their ERGs to strategize on how to give back to the API community. Prior to the Asian Pacific Fund, Michael was the National Director for the #YesWeCode, the tech diversity and inclusion initiative established by CNN host, Van Jones, and the late rock star, Prince.
