

Michelle Schwartz

Michelle Schwartz (she/her), MPA, Cambia Health Solutions. As the Manager of Diversity and University Programs, Michelle partners with Cambia's executive leaders to drive diversity and inclusion in the fabric of the organization.

She is a change agent who embraces Cambia's values of Hope, Courage and Empathy to ensure an organizational culture where employees are empowered to leverage their diverse voices, experiences and perspectives to drive innovation and the achievement of Cambia's person-focused Cause.

Her responsibilities include developing and implementing Cambia's Diversity and Inclusion Roadmap, providing leadership and strategic direction to Cambia's six Employee Resource Groups, coordinating a thriving internship program and collaborating/advising to align company policies, processes and trainings with diversity and inclusion strategies.

In her spare time, Michelle enjoys global travel, kayaking and being outdoors with her partner and four-legged children near their home in Montana.
