JOB ACCOUNTABILITIES

	% Time	Essential	Marginal	N/A
Develops an understanding of the sourcing categories and supply markets through a combination of research, professional experience, and communications with internal clients. Determines the primary suppliers for specific categories and evaluates changes within the market to provide guidance for the category as a whole.				
Develops total cost of ownership (TCO) category and supplier strategies and leads implementation activities. Utilizes cost reduction, risk mitigation, and value optimization strategies. Establishes sourcing targets with key business units based on business needs and requirements. Engages proactively with schools, departments and administration to identify opportunities and develop appropriate sourcing strategies and approaches. Establishes and executes plans to meet or exceed established targets. Has responsibility for close management of projects and initiatives engaging both internal partners/stakeholders and suppliers.				
Develops and executes fact-based negotiations strategies and approaches. Leads mid-range to high-dollar RFI, RFP and RFQ processes as required. Utilizes these sourcing processes to maximize the benefit and quality for each project and/or initiative.				
Establishes and tracks key performance indicators that will drive continuous improvement across categories. . Makes adjustments to key performance indicators on an ongoing and periodic basis. Reports results to management and other key constituents on category initiatives and related projects.				
Develops additional category-specific performance indicators and expectations specifically for suppliers. Determines corrective action plan when supplier performance does not meet expectations, communicates action plan expectations to suppliers and monitors the plan to track progress. Meets with the strategic suppliers on a periodic basis to review performance and develops expectations for the next period.				
Makes recommendations to improve the productivity, quality and efficiency of the procurement-related functions. Oversees supplier contract compliance program, including audits, periodic reviews and related activities.				
Provides leadership and guidance to Business Services and other university team members. Communicates effectively to all levels of the organization on category and supplier information, current and upcoming initiatives and other core activities (e.g. demand management, compliance, process improvements, etc.). Improves team members' performance through coaching, development and leadership. Leads strategic supplier management activities focused on total cost, risk assessment, supplier performance management, continuous improvement, and innovation opportunities.				
Maintains a high level of industry expertise and knowledge of current supply market conditions.
