JOB ACCOUNTABILITIES

	% Time	Essential	Marginal	N/A
Performs neurodiagnostic testing and telemetry which includes advanced intraoperative monitoring to assess the functional integrity of the peripheral and/or central nervous system during vascular, orthopedic, and neurosurgical operative procedures on patients of varying ages and medical conditions, in accordance with standards of practice. Uses electrophysical methods such as EEG, EMG and evoked potentials to monitor the functional integrity of neural structures during surgery, utilizing a variety of sophisticated instruments.				
Identifies patient's educational needs and provides health-related information to enhance patients' understanding of medical condition and related treatments.				
Maintains data and performs data analysis.				
Maintains supplies within clinical portion of operations to ensure adequate inventory.				
Oversees maintenance of equipment, supplies and testing facilities.				
Documents and reports accurately the results of all monitoring and procedures performed.				
Maintains compliance with established university and department policies and procedures, quality assurance, safety, environmental, infection control and complies with requirements of accreditation and regulatory agencies.				
Promotes awareness of program services to faculty, staff, students, etc.				
Participates in in-service education programs to enhance job knowledge and performance.				

Other Requirements

Essential:	Emergency Response/Recovery	Essential:	Mandated Reporter
	In the event of an emergency, the employee holding this position is required to "report to duty" in accordance with the university's Emergency Operations Plan and/or the employee's department's emergency response and/or recovery plans. Familiarity with those plans and regular training to implement those plans is required. During or immediately following an emergency, the employee will be notified to assist in the emergency response efforts, and mobilize other staff members if needed.		A mandated reporter who in his or her professional capacity has knowledge of, or reasonably suspects a person who is under the age of 18 years, elderly, or a dependent adult has been the victim of abuse or neglect must report the suspected incident. The reporter must contact a designated agency immediately or as soon as practically possible by telephone or in writing within 36 hours. By virtue of the associated job duties, this position qualifies as a mandated reporter as required by state law and USC's policy at: https://policy.usc.edu/mandated-reporters/
Campus Security Authority (CSA)			Essential:
By virtue of the associated job duties, this position qualifies as a Campus Security Authority as required by law and USC's policy at: https://dps.usc.edu/alerts/clery/			No

ACKNOWLEDGMENTS

The above statements reflect the essential and non-essential functions as necessary to describe the principle contents of the job. They are not intended to be a complete statement of all work requirements or duties that may be required of the position. I understand that I may be asked to perform other duties as assigned. USC reserves the right to add or change duties at any time.

The University of Southern California is an Equal Opportunity Employer. USC prohibits discrimination on any basis protected under federal, state, or local law, regulation, or ordinance or university policies. All employment decisions are based on

individual qualifications and business need.

I acknowledge receipt of this job description and its associated physical requirements. I have read and understand the job description and job requirements and agree to abide by their contents. I realize that duties may be requested of me that are not specifically stated herein. I understand that I will be expected to adjust to potential fluctuations in work volume. I understand that, if I have any questions about the essential functions or expectations of my position, my supervisor and/or HR partner are available to discuss them with me.
