Other Job Factors

JOB ACCOUNTABILITIES

	% Time	Essential	Marginal	N/A
Communicates vision, opportunities, and strategies to support decision-making for product design. Utilizes problem articulation, user research, idea generation and selection, prototyping, testing, and other leading practices to solve common design problems. Maintains balance between user needs, business goals, and technical realities to build engaging experiences for diverse audiences.				
Engages in human-centered design (HCD) processes and approaches, developing a broad range of university platforms (e.g., websites, applications). Supports continuous improvement, effective troubleshooting, and problem-solving, utilizing the latest industry technology and knowledge.				
Works collaboratively with fellow designers, researchers, developers, business analysts, and other key stakeholders. Develops skills and abilities on an ongoing basis, maintaining currency on emerging technologies and product-strategy approaches.				
Drives consistency and usability of the university's digital products, adhering to documented technical requirements, user-centered design methodologies, and university policies, processes, and procedures. Participates in research to gain insights into user pain points, challenges, and needs, and builds and delivers solutions that meet new requirements and expectations.				
Aids the cultivation of an inclusive environment and a culture of trust and transparency, sharing information broadly, openly, and deliberately. Builds and maintains collaborative relationships with diverse team members, peers, and leaders. Actively embodies ITS values and behaviors (e.g., accountability, ethics, best-in-class customer service).				
Collaborates with team members and management, implementing effective solutions to support the vision for ITS product strategy and design. Maintains currency with technology, standards, and best practices. Supports process improvement efforts within the team and across the ITS organization.				

Other Requirements

Essential:	Emergency Response/Recovery	Essential:	Mandated Reporter
	In the event of an emergency, the employee holding this position is required to “report to duty” in accordance with the university’s Emergency Operations Plan and/or the employee’s department’s emergency response and/or recovery plans. Familiarity with those plans and regular training to implement those plans is required. During or immediately following an emergency, the employee will be notified to assist in the emergency response		A mandated reporter who in his or her professional capacity has knowledge of, or reasonably suspects a person who is under the age of 18 years, elderly, or a dependent adult has been the victim of abuse or neglect must report the suspected incident. The reporter must contact a designated agency immediately or as soon as practically possible by telephone or in writing within 36 hours. By virtue of the associated job duties, this position qualifies as a mandated reporter as required by state law

<i>Essential:</i>	<i>Emergency Response/Recovery</i>	<i>Essential:</i>	<i>Mandated Reporter</i>
	efforts, and mobilize other staff members if needed.		and USC's policy at: https://policy.usc.edu/mandated-reporters/
<i>Campus Security Authority (CSA)</i>			<i>Essential:</i>
By virtue of the associated job duties, this position qualifies as a Campus Security Authority as required by law and USC's policy at: https://dps.usc.edu/alerts/clery/			No

ACKNOWLEDGMENTS

The above statements reflect the essential and non-essential functions as necessary to describe the principle contents of the job. They are not intended to be a complete statement of all work requirements or duties that may be required of the position. I understand that I may be asked to perform other duties as assigned. USC reserves the right to add or change duties at any time.

The University of Southern California is an Equal Opportunity Employer. USC prohibits discrimination on any basis protected under federal, state, or local law, regulation, or ordinance or university policies. All employment decisions are based on individual qualifications and business need.

I acknowledge receipt of this job description and its associated physical requirements. I have read and understand the job description and job requirements and agree to abide by their contents. I realize that duties may be requested of me that are not specifically stated herein. I understand that I will be expected to adjust to potential fluctuations in work volume. I understand that, if I have any questions about the essential functions or expectations of my position, my supervisor and/or HR partner are available to discuss them with me.
